

Shelby County Animal Rescue Foundation's EIGHTH ANNUAL WALK TO END PARVO

Our primary goal for this Walk is to raise the funds needed to purchase the Parvo & Distemper Immunizations needed for the more than 650 dogs that will come through the Shelby County Animal Shelter over the coming year. Our secondary goal is to raise awareness of this deadly but easily preventable disease. One annual trip to the Vet and one shot is all it takes to keep a dog from contracting Parvo. Please join us in becoming a sponsor for this fun family event on **Saturday, October 17th, 2020** at VanDemark Farm in Sidney.
