Hello!

Your SCARF Board would like to provide an update since Ohio's Stay-at-Home orders were put in place due to the Coronavirus pandemic. Unfortunately, the full board was unable to meet and had to cancel two of our Cans for Canines can drives, and two Pet-Valu Adoption Drives. We are hopeful you have still been collecting your cans and will be able to bring them to the new Animal Shelter at our can drive in June. With schools closed, our PEP! Squad has been unable to do their educational outreach, but we hope to get that activity going again soon. TNR (trap-neuter-return) clinics have continued and we have one clinic scheduled each month.

During the quarantine, the Animal Shelter has been closed to the public and volunteers. Fortunately, the appointment system has worked well and there have been many successful adoptions during this time.

We look forward to when the Shelter can become a flurry of activity once again, and will keep you posted to when that will happen.

For now, the SCARF Board is planning for our 2020 events. Our annual calendar contest is just around the corner with nominations in July and voting in August.

Our annual Walk to End Parvo is planned for October and will occur downtown on the Courthouse Square, and our BIG event, the Lip Sync Battle will still be coming in November. We will be holding it at The Palazzo and hope this venue provides a great experience for all of our guests.

UPCOMING EVENTS:

June 1	TNR Clinic
June 13	Cans for Canines 9-11 at the Animal Shelter
July	Nominations open for Calendar
July 11	Adoption Event with Pet-Valu
August	Calendar voting
August 3	TNR Clinic

Just prior to the Stay-at-Home quarantine, SCARF welcomed new Board members, Bill Ragon and Sarah Schmitz. Sarah is a long-time resident of Shelby County having graduated from Lehman High School. She and her husband, Earon, are the proud parents of one daughter and two dogs, Moose the Great Dane and RC the Chihuahua.. Bill Ragon grew up in Sidney and graduated from Sidney High School. He is a graduate of BGSU and received his MBA from Ashland College. He is the father of three children and has two granddaughters. He was employed by Emerson for 22 years and was Group VP of Procurement. His other community involvement includes the Shelby County Historical Society Board and also the Bicentennial Committee. He is the proud owner of his shelter-dog, Ginger.

SCARF has also created a new group of Auxiliary Board members. These individuals are active in SCARF activities but have no voting rights. Our former Board member, Becky Kubichek is our first member of this group.

As we welcome new people to our Board, we also must say good bye to others. Our Junior Board member and SCARFIE, Nathan Johnson, has graduated from Sidney High School and will be moving on to college this fall. This opens up a slot for a new Junior Board member. High school individuals interested in this opportunity should send an email to helpshelbycountyanimals@gmail.com.
