

Hello!

Wow, can you believe it's already October? Unfortunately, a lot of our events were cancelled earlier this year due to COVID-19. However, we will finish the year strong with some exciting events! Fortunately, the end of the year is SCARF's busiest time! Upcoming events include Walk to End Parvo on October 17th and the Lip Sync Battle on November 14th. Both events will look a little different than previous years. The Walk to End Parvo will now be located on the Court Square in Sidney. The Lip Sync Battle will now be at the Palazzo in Botkins. For the Lip Sync Battle, we will have a Firearms Raffle, silent auction, 50/50 drawing, and of course a GREAT show! In addition, we also have Cans for Canines on October 10th, and the shelter has a Low Cost Vaccine Clinic, Low Cost Spay & Neuter Clinic, and a Trap-Neuter-Return program. We've been through a lot this year, but we're going to finish better than ever!

SCARF would love to add some dedicated and hard working individuals to our committees. The committees we have are Finance, Events, Marketing, Fundraising, Pep!, and Volunteer. If you would like to join one of our committees, please send an email to helpshelbycountyanimals@gmail.com. Please see below for the role descriptions of each committee:

Finance: Provides financial analysis and oversight of SCARF's budget. Their sole responsibility is to ensure the shelter and SCARF are operating with the financial resources they need to provide programs and services to the community.

Events: Creating a comprehensive event plan including goals, desired outcomes and themes for all events.

Marketing: Come up with marketing strategies and tools, and making SCARF more known.

Fundraising: To come up with ideas to raise money for SCARF and the shelter and to find sponsors for events.

Pep!: Pep stands for Pet education project. Pep! intends to educate people on being responsible pet owners and how to treat animals properly.

Volunteer: To find volunteers for each event and also for the shelter whenever needed.

Hope you enjoy this last 2020 newsletter for SCARF!

Featured Adoptable Pets

Karson

Karson is a young, male kitten. This boy is handsome and looks like he has his eyeliner professionally done. He is an outgoing and friendly boy and will be happy to come up and say hi and get held for snuggles.

Oswald

Oswald was found as a stray in Botkins near the Shelby County/Auglaize County line. Oswald can be a little shy and unsure of life when you first get to meet him. However, as soon as he understands that there is a chance you'll be willing with him, then he is all about being your best friend. Oswald is believed to be a younger canine with a great personality. He is looking for a new forever home.

Special Thanks
